

YOUR CAREER WITH SNB

SNB stands for top quality, professionalism and business understanding. With our highly specialised hand-picked team of legal advisers we offer our clients the same quality as a large law firm and on top the structural advantages of a mid-sized business law firm with small teams, rapid communication possibilities and flat hierarchies. We do not sit in a legal ivory tower but actively contribute towards shaping the entrepreneurial processes of our clients.

Our German and foreign clients expect feasible solutions, a clear language, the taking into account of their economic interests and cost sensitivity. We can only achieve these goals through good staff. We are proud to say that our entire team consists of motivated colleagues who have been with us for many years. Many of our lawyers and current partners worked already as legal clerks with **SNB**. Our legal specialists have partly a seniority of several decades with us.

In order to have a competitive positioning for the future, we are open at any time for talks to new colleagues and employees fitting into our structure.

ATTORNEY-AT-LAW

As an Attorney-at-law you should be ready to specialise in one of our specialist areas. Apart from an above-average qualification, a sound understanding for the economic interests of the clients is indispensable. First practical experience as a specialist is welcome. We welcome and support the acquisition of a specialist lawyer title.

ARTICLED CLERK

As a legal clerk you have the possibility to get to know our specialist areas and colleagues and take the first steps into the direction of a later specialisation as a lawyer. You would not be the first legal clerk receiving an offer from us after the end of your training to start with **SNB**.

LEGAL ASSISTANT / FOREIGN LANGUAGE CORRESPONDENT

As a non-lawyer you are welcome at **SNB**, too! A training as legal assistant is an advantage but not necessarily a prerequisite. Since we have both practices marked by procedural law and practices focusing on counselling and transactions, we would like to invite also candidates with a training as foreign language correspondent or the similar to apply.

We have a co-operative and friendly working atmosphere both among the employees and between the latter and the lawyers as well as partners. We offer you a diverse and responsible activity in a collegial

environment.
